Assistant or Associate Professor in Anaesthesia at
Harvard Medical School and
Associate in Department of Anesthesiology, Critical Care and Pain Medicine
Boston Children’s Hospital

BOSTON CHILDREN’S HOSPITAL in Boston, Massachusetts invites applications for the position of Assistant or Associate Professor in Anaesthesia at Harvard Medical School in The Department of Anesthesiology, Critical Care and Pain Medicine. Requirements include: an M.D. degree, completion of residency training in both anesthesiology along with fellowship training in pediatric anesthesiology. Additional training in pediatric critical care medicine is desired but not mandatory. Candidates must be board certified in anesthesiology and pediatric anesthesia by the American Board of Anesthesiology.

Successful candidates should be a master clinician and an exemplary educator who has significant mentorship experience. Candidates must provide evidence of continuing medical education and meet the scholarship metrics for an academic appointment at Harvard Medical School (HMS) at the level of Assistant or Associate Professor.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Qualified individuals should submit their curriculum vitae and cover letter that includes a summary of your qualifications for the position, vision for the position and diversity and equity statement to Caitlin Licence at caitlin.licence@childrens.harvard.edu

The request materials should be addressed to Joseph P. Cravero, MD, Search Committee
