Pulmonary and Critical Care Medicine at Brigham and Women’s Hospital (BWH) is seeking a physician to serve as a provider in the BWH Lung Center ambulatory practice and the BWH Mixed ICU, a combined medical and surgical intensive care unit.

This provider will focus on building an outstanding ambulatory practice in the BWH Lung Center as well as having a modest presence in the Mixed ICU to assist with staffing needs. This faculty member must possess an M.D. and will also be expected to participate in the teaching of pulmonary and critical care medicine fellows, housestaff, and Harvard Medical School students. Participation in ongoing clinical research within the Division is also available. The academic appointment will be at the Instructor or Assistant Professor level at Harvard Medical School and determined by the applicant’s credentials. Compensation will be commensurate with experience and qualifications.

Please send letter of interest and curriculum vitae to: Bruce D. Levy, M.D., Chief, Pulmonary and Critical Care Medicine, Brigham and Women’s Hospital, 75 Francis Street, Boston, MA 02115; blevy@bwh.harvard.edu; 617-525-5407.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, pregnancy and pregnancy-related conditions or any other characteristic protected by law. Women and minority candidates are particularly encouraged to apply.
