ADDICTION PSYCHIATRIST

Beth Israel Deaconess Medical Center in Boston, a 650+ bed tertiary care teaching hospital of Harvard Medical School, is recruiting highly qualified addiction psychiatrist. The Department of Psychiatry is a major teaching site for Harvard Medical School and the BIDMC Harvard Psychiatry Residency Training Program; positions will include opportunities for teaching medical students and residents and for faculty development. A Harvard Medical School appointment at the rank of instructor, assistant, or associate professor would be commensurate with the record of accomplishments. This full-time staff position involves clinical care and opportunities to participate in the training of psychiatric residents in the Division of Addiction Psychiatry. The clinical care involves inpatient and outpatient consultations and ongoing treatment of outpatients in our Addiction Psychiatry clinic. Formal teaching and research are possible. Certification (or eligibility) in Addiction Psychiatry is desirable.

Applications are made online at www.hmfphysicians.org/careers. Please respond to requisition #202112. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
