STAFF PSYCHOLOGIST
BIPOLAR AND PSYCHOTIC DISORDERS CLINIC

Description:
McLean Hospital is a comprehensive psychiatric hospital committed to providing easy access to superior quality, cost-effective mental health services in the Boston area, Massachusetts and beyond. Since 1811, McLean Hospital has been a world leader in the treatment of mental illness and chemical dependency, research into the cause of mental illness and the training of generations of mental health care providers. McLean's multidisciplinary programs treat a broad range of psychiatric illnesses across the full continuum of care.

The Bipolar and Psychotic Disorders Clinic at McLean Hospital/Harvard Medical School is seeking to fill a full-time staff psychologist position. The Clinic is an outpatient program that is dedicated to the assessment and treatment of adults ages 18-65 who have Bipolar or Psychotic Disorders.

As part of a comprehensive outpatient program, the staff psychologist will perform individual and group therapy with patients. The clinician will participate in a multidisciplinary team with a flexible, creative approach to addressing the needs of this particular population. The position includes reliable and reasonable caseload, regular clinical supervision, opportunities to contribute to program development. Teaching and mentoring of HMS students, residents and/or fellows. Additionally, participation in other hospital activities including, committees, teaching, trainings, and research is encouraged. This position will include a Harvard Medical School appointment commensurate with qualifications meeting HMS academic appointment criteria up to Instructor.

Candidates must have a Ph.D. or Psy.D. in psychology from an accredited school of psychology, licensure appropriate to clinical discipline, and be licensed in the Commonwealth of Massachusetts. Candidates should have demonstrated clinical experience relevant to the patient needs of the program. Clinical experience working with bipolar and psychotic disordered patients preferred for this position. Salary and benefits will be commensurate with qualifications and experiences. Applicants should include a cover letter and curriculum vitae with application.
All McLean team members are expected to consistently demonstrate our values of integrity, compassion, respect, diversity, teamwork, excellence and innovation in their work activities and interactions.

**Qualifications:**

**EDUCATION:** Ph.D. or Psy.D. in psychology from an accredited school of psychology.

**LICENSE:** Licensure appropriate to clinical discipline in the state of Massachusetts.

**EXPERIENCE:** Candidates should have demonstrated clinical experience relevant to the patient needs of the program. Clinical experience working adults with bipolar and psychotic disorders is preferred for this position.

Applicants should submit a letter of interest and curriculum vitae along with the names and addresses of three references by email to: Diane Bedell, Program Director, Clinical Evaluation Center, Email: dbedell@partners.org and the Registrar and Professional Staff Office at rpsomclean@partners.org.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
