GERIATRIC PSYCHIATRIST POSITION
AT MCLEAN HOSPITAL

The McLean Hospital Geriatric Psychiatry Division is seeking a full-time Staff Psychiatrist in the Geriatric Psychiatry Outpatient Programs and the Geriatric Psychiatry Research program (GPRP).

The applicant will be expected to be active clinically, support the research program and supervise fellows and other trainees who rotate through the division.

An appointment of Instructor, Assistant Professor or Associate Professor at the Harvard Medical School will be commensurate with experience, training and achievements in addition to teaching activities. Suitable candidates will have an MD or an MD-PhD, and Board Certification in Psychiatry, Geriatric.

Although five years of direct clinical and research experience would be advantageous, less experienced candidates with exceptional promise will also be considered.

Interested candidates should include a personal statement with their research interest, three potential references and Curriculum Vitae to Dr. Brent Forester at bforester@mclean.harvard.edu and rpsomclean@partners.org

We are an equal opportunity employer and all qualified applicants will receive consideration for employment and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

A member of Mass General Brigham.
