McLean Hospital, America’s top ranked freestanding psychiatric hospital, is inviting applications for a full-time Staff Psychiatrist in the Laboratory for Functional Neuroimaging and Bioinformatics in Belmont, MA. The Laboratory for Functional Neuroimaging and Bioinformatics conducts research to understand the nature and underlying biology of mental illnesses, particularly lifelong conditions such as schizophrenia and bipolar disorder. The goal of this work is to develop more effective strategies to both monitor the course of illness and intervene in creative ways to improve the lives of individuals struggling with these conditions. This psychiatrist will have expertise in schizophrenia and bipolar spectrum disorders and will conduct both clinical research and quality improvement studies to engage clinicians and other care providers to integrate tools developed in the lab into clinical practice. This incumbent is expected to train and mentor fellows and other staff.

This position combines clinical care and teaching, with Harvard Medical School appointments. Salary and recruitment package in accordance with Hospital policies, and a Harvard Medical School appointment at the academic rank of Lecturer, Instructor or Assistant Professor will be commensurate with HMS appointment criteria, meeting the minimum teaching requirement, and candidate qualifications.

Requirements include a Doctor of Medicine (M.D.) degree or foreign equivalent medical degree and completion of a four year general psychiatry residency. Must possess a full license to practice medicine in the Commonwealth of Massachusetts.

Applicants should submit a letter of interest and curriculum vitae along with the names and addresses of three references to the Registrar and Professional Staff Office at rpsomclean@partners.org.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

A member of Mass General Brigham.
