Boston Children’s Hospital

Instructor in Anaesthesia
Department of Anesthesiology, Critical Care and Pain Medicine
Boston Children’s Hospital

BOSTON CHILDREN’S HOSPITAL in Boston, Massachusetts invites applications for the position in The Department of Anesthesiology, Critical Care and Pain Medicine. Requirements include: an M.D. degree, completion of residency training in pediatrics and anesthesiology along with fellowship training in pediatric anesthesiology. Candidates must be board certified in anesthesiology by the American Board of Anesthesiology and pediatrics by the American Academy of Pediatrics and eligible for board certification in pediatric anesthesia.

Successful candidates should be an outstanding clinician and an exemplary educator. Candidates must provide evidence of continuing medical education and meet the metrics for an academic appointment at Harvard Medical School (HMS) at the level of Instructor. Applications are welcome from candidates who intend to pursue a clinical or translational research career.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law. Qualified individuals should submit their curriculum vitae and cover letter that includes a summary of your qualifications for the position, vision for the position and diversity and equity statement to Caitlin Licence at caitlin.licence@childrens.harvard.edu

The requested materials should be addressed to Joseph P. Cravero, MD, Search Committee
