Cambridge Health Alliance (CHA) is recruiting a Surgical Podiatrist to join our award-winning health system based in Cambridge, Somerville, and Boston’s metro-north communities. We provide innovative primary, specialty and emergency care to our diverse patient population through an established network of outpatient clinics and two full service hospitals.

- CHA’s Division of Podiatry is increasing access for patients. Our current podiatry team of providers includes 4 physicians. We are adding capacity due to growth.
- As a Harvard Medical School affiliate, we offer ample teaching opportunities with medical students and residents. Academic appointment as an Instructor, Assistant or Associate Professor available commensurate with medical school criteria.
- Qualified candidates will have a minimum of 5 years of experience teaching podiatry residents.
- Candidates must be American Board of Foot and Ankle Surgery certified in foot and RRA as well as a Fellow in the American College of Foot and Ankle Surgeons.
- The ideal candidate will also possess certification in hyperbaric oxygen therapy.

Applicants should have a demonstrated commitment to CHA’s multiculturally diverse, underserved patient population. Candidates with superior communication skills and a willingness to work in a collaborative, team-based environment are encouraged to apply.

CHA offers competitive compensation packages and comprehensive benefits for our providers and their families.
