

## Nocturnist Cambridge Health Alliance Cambridge and Everett, Massachusetts

**Cambridge Health Alliance** is recruiting a Nocturnist to join our Hospitalist program at our award-winning public healthcare system in **Boston's metro-north communities**. We provide innovative primary, specialty and emergency care to our diverse patient population through an established network of outpatient clinics and two full service hospitals.

### Position Details:

- Full-time Nocturnist opportunity to join our well-established Hospitalist program with 30+ clinicians
- 150 night shifts annually, 12 hour shifts
- Two coverage locations - Cambridge Hospital and Everett Hospital. Assigned to only one location per shift.
- Physician assistant or resident support at both locations
- ICU work is available if desired but not required
- Premium compensation for nights

### Qualifications:

- ABIM/ABFM Board Certification
- Excellent clinical and communication skills
- Demonstrated commitment to serving CHA's community and our diverse patient population.
- Enthusiasm for teaching medical students and residents. The position carries a Harvard Medical School (HMS) appointment of Instructor, Assistant or Associate Professor, commensurate HMS appointment criteria, candidate qualifications and commitment to teaching responsibilities.

We offer a supportive and collegial environment, a strong infrastructure, and a fully integrated electronic medical record system (EPIC). Competitive salary and comprehensive benefits package.
