

Urologist Cambridge Health Alliance (CHA) Greater Boston

Cambridge Health Alliance (CHA), is a nationally recognized, award-winning public healthcare system that provides high quality primary, specialty and emergency care through an established network of outpatient clinics, a dedicated psychiatric inpatient facility, and two full service hospitals.

As a **Harvard Medical School** affiliate, we offer ample teaching opportunities with medical students and residents. We provide care to a diverse and underserved patient population and we are recognized for mitigating health care disparities in the communities we serve.

CHA is currently recruiting a full time Urologist to join our thriving and growing division. Our tertiary hospital affiliation is Beth Israel Medical Center.

At CHA we offer:

- Urology Division that is equipped the the most updated technologies, including **Intuitive XI Robot**
- Fully integrated EMR (Epic) utilized throughout our ambulatory and inpatient sites
- Robust inpatient/outpatient clinical and administrative support. Well-trained, experienced PAs in the clinic and House staff to assist with inpatient care.
- CHA's Physician Organization (CHAPO) employs more than 200 primary care providers, creating a built-in referral base for incoming surgeons and specialists
- Opportunity for personal and professional development growth
- CHA is a teaching affiliate of HMS. This position carries an HMS appointment of Instructor, Assistant or Associate Professor, commensurate with HMS appointment criteria, candidate qualifications and commitment to teaching responsibilities.

CHA offers a collaborative and collegial practice environment with an innovative clinical model. Ideal candidates should possess both excellent clinical and communication skills, and a strong commitment to our diverse, underserved patient population. Clinical interests in urogynecology and pelvic floor would be preferred but generalists should apply.

CHA offers extremely competitive benefits and salaries with various incentives including productivity bonuses.
