CHAIR
DEPARTMENT OF OBSTETRICS & GYNECOLOGY
Brigham and Women’s Hospital

Brigham and Women’s Hospital (BWH) is seeking an academic and clinical leader to serve as the chair of the Department of Obstetrics and Gynecology. The successful candidate will also serve as Head of the Harvard Medical School Department of Obstetrics, Gynecology, and Reproductive Biology at BWH and hold an academic appointment as Associate or Full Professor of Obstetrics, Gynecology, and Reproductive Biology at Harvard Medical School.

This individual will be responsible for the full scope of clinical, research and educational activities of the department as well as collaborative activities with the other departments, Brigham Health, Mass General Brigham System (formerly Partners HealthCare), Harvard Medical School, and other affiliated institutions.

Candidates will possess exceptional leadership, managerial and collaborative skills, with an international reputation in obstetrics and gynecology. Candidates should have a strong vision for achieving excellence in clinical care, research, and teaching, in order to lead a complex and successful department to even higher levels of excellence. BWH is committed to ensuring our diverse community feels welcome, cared for, and valued. Candidates who have experience working with a diverse range of faculty, staff and patients, and who can contribute to the climate of inclusivity are encouraged to apply.

Interested candidates are requested to submit a current Curriculum Vitae to the email address below for consideration.
