Massachusetts General Hospital is seeking an academic and clinical leader to serve as the Chief of the Department of Pediatrics and Physician in Chief of the MassGeneral Hospital for Children and hold an academic appointment as Associate or Full Professor of Pediatrics at Harvard Medical School.

This individual will be responsible for the full scope of clinical, research, educational and community health activities of the Department and co-leadership of the MassGeneral Hospital for Children. They will also participate in collaborative activities with other departments within the hospital and within the Mass General Brigham system, Harvard Medical School, and other affiliated institutions.

Candidates will possess outstanding leadership, managerial and collaborative skills, with a national/international reputation in Pediatrics. Candidates should have a clear vision for achieving excellence in clinical care, research, and teaching, in order to lead a complex and successful department and children’s hospital to even higher levels of excellence.

The Department of Pediatrics includes a comprehensive portfolio of clinical specialties and services in both inpatient and outpatient settings with 305 appointed clinical faculty, 66 residents, and 50 clinical fellows. As part of the Massachusetts General Hospital, MassGeneral Hospital for Children is recognized for excellence in patient care, research, teaching and clinical innovation.

Massachusetts General Hospital is committed to ensuring our diverse community feels welcome, cared for, and valued. Candidates who have experience working with a diverse range of faculty, staff and patients, and who can contribute to the climate of inclusivity are encouraged to apply.

Candidates are requested to submit via email a letter of interest and a current Curriculum Vitae to:

David F. M. Brown, MD, Search Committee Chair
Chief of Emergency Medicine, Massachusetts General Hospital
MGH Trustees Professor of Emergency Medicine, Harvard Medical School

Application Deadline: April 30, 2021
