Boston Children’s Hospital seeks to recruit the next Psychiatrist-in-Chief. Interested candidates should have a distinguished record of clinical excellence, teaching and scholarly accomplishment consistent with a Harvard Medical School appointment at the rank of Professor or Associate Professor, the latter with credentials approaching the professorial level. A keen understanding of clinical operations and ability to manage a significant financial and operating budget is desired.

Candidates must be board certified in Psychiatry with subspecialty certification in Child and Adolescent Psychiatry and eligible for licensure without restriction within the Commonwealth of Massachusetts.

All inquiries are confidential. Interested candidates should forward a personal statement and CV to:
