Faculty Position in Rheumatology

The Massachusetts General Hospital is seeking a board-certified Rheumatologist to join the Division of Rheumatology, Allergy and Immunology.

The applicant will be expected to have a strong commitment to clinical care. Areas of particular interest include clinical practice, clinical scholarship, medical education, musculoskeletal ultrasound, and others.

Appointment at Harvard Medical School as Instructor, Assistant or Associate Professor will be commensurate with experience, training and achievements, in addition to teaching activities.

Interested candidates should send a personal statement, names of three referees, and curriculum vitae to Dr. John Stone, Director of Clinical Rheumatology, Massachusetts General Hospital, c/o rheumatologysearch@mgh.harvard.edu.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
