BRIGHAM AND WOMEN’S HEALTH CARE (BWHC) in Boston, Massachusetts is recruiting for a Cardiac Anesthesiologist/Physician Scientist, within the Department of Anesthesiology, Perioperative and Pain Medicine (DAPPM). Successful candidates should demonstrate a strong commitment to research focused in cardiovascular diseases, which can be basic, translational, or clinical. Evidence of extramural funding not required but a plus.

The position requires an outstanding clinician with an established track record in research. The applicant should also be an exemplary teacher. It is expected that applicants have an MD or MD/PHD degree and be Board Eligible or Board Certified. The candidate must provide evidence of continuing medical education and meet the metrics for an academic appointment of Harvard Medical School (HMS) at the level of assistant or associate professor.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Qualified individuals should submit a cover letter and curriculum vitae to Alice Rocchi at arocchi1@bwh.harvard.edu

The names of three references and requested materials should be addressed to J. Daniel Muehlschlegel, M.D., M.M.Sc Search Committee.
