ACADEMIC NEUROLOGIST APPOINTMENT
BRIGHAM AND WOMEN’S HOSPITAL
DEPARTMENT OF NEUROLOGY

Brigham and Women’s Department of Neurology is seeking an academic neurologist with strong clinical interests and expertise at the intersection of neuro-infectious diseases, neuro-inflammation, and hospital neurology. The hospital title is Associate Neurologist and academic title of Instructor, Assistant, or Associate Professor at Harvard Medical School (HMS) is commensurate with the individual’s experience and accomplishments in the field. This candidate will establish an outpatient clinical practice focused on the above sub-specialties in the urban Boston environment, including attending on the inpatient neurology ward and consult services. There will be a strong emphasis on education of residents and medical students. To be considered, candidates must have a MA license to practice medicine, have completed an ACGME-accredited residency in Neurology, be board certified or board eligible in Neurology, and fulfilled an advanced fellowship training program in neuro-infectious diseases and neuro-inflammatory diseases. Candidates should have a strong record and reputation as a clinician, researcher, and teacher and should also possess exceptional leadership, teamwork, and interpersonal abilities. Additional conditions of employment are provided via this link: https://www.partners.org/For-Medical-Professionals/Employment-Conditions.aspx

For consideration for this position, please send curriculum vitae by March 30, 2019 to:
