Chief, Division of Infectious Diseases
Mount Auburn Hospital, Cambridge, MA

Mount Auburn Hospital, a Harvard Medical School teaching hospital servicing the greater Cambridge, MA metropolitan area is seeking a board certified infectious disease specialist for the position of Chief of the Division of Infectious Diseases within the Department of Medicine. The ideal candidate will possess skills and experience in hospital epidemiology, inpatient and outpatient general infectious diseases, HIV/AIDS and Hepatitis C treatment. The responsibilities of the position include a mix of the clinical areas listed above, and administrative time to oversee and further develop the clinical and educational activities of the Division. The selected physician would receive a faculty appointment as an Instructor, Assistant Professor or Associate Professor at Harvard Medical School commensurate with experience and qualifications. Qualified applicants are encouraged to apply and all inquiries and applications will be kept in the strictest confidence. For questions, please call Monica King at: 617-441-1678. To apply, please send a CV and a brief letter of interest to: Monica.King@mah.org.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
