PSYCHIATRY POSITIONS
Beth Israel Deaconess Medical Center in Boston, a 650+ bed tertiary care teaching hospital of Harvard Medical School, is recruiting highly qualified staff psychiatrists. The Department of Psychiatry is a major teaching site for Harvard Medical School, the Harvard Longwood Psychiatry Residency Training Program, and the BIDMC Harvard Psychiatry Residency Training Program; positions will include opportunities for teaching medical students and residents and for faculty development. A Harvard Medical School appointment at the rank of instructor, assistant, or associate professor would be commensurate with the record of accomplishments. Opportunities exist on the following services with the possibility of combining work on different services to make a full- or part-time position:

1. **INPATIENT PSYCHIATRY SERVICE**
This full-time position includes clinical care, teaching, and supervision on an active 25 bed inpatient teaching unit.

2. **AMBULATORY PSYCHIATRIST**
This half-time staff position involves clinical care and opportunities to participate in the training of psychiatric residents. The clinical care involves psychiatric evaluations and ongoing treatment of outpatients in our general psychiatry clinic located within the medical center.
3. CONSULTATION-LIAISON SERVICE

This half-time position includes clinical care, teaching, and supervision on a service that sees 2500 Emergency Department and 1000 Inpatient Medical-Surgical consultations annually. Certification (or eligibility) in Psychosomatic Medicine is desirable.

Applications are made online at www.hmfphysicians.org/careers. Please respond to requisition #172320 for the ambulatory psychiatrist, #172318 for the inpatient psychiatrist and #172327 for the consultation-liaison psychiatrist. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
