Massachusetts General Hospital – Infectious Diseases Faculty

The Division of Infectious Diseases at the Massachusetts General Hospital seeks outstanding clinician-teachers to join our inpatient and outpatient care teams. We seek to attract an active and diverse faculty engaged in the clinical, education, and academic missions of the Division.

Appointment as an Instructor, Assistant Professor, or Associate Professor at the Harvard Medical School will be commensurate with experience, training, and achievements in addition to teaching activities. Suitable candidates have an MD, MD-PhD, or equivalent. Board certification in Internal Medicine and Infectious Diseases is required.

Please send a Curriculum Vitae, names and contact information of three references, and a one-page statement of career interests by November 30 to:
