Pulmonary & Critical Care Medicine at Brigham and Women’s Hospital seeks a Physician to join our faculty. The successful candidate will have experience in all areas of pulmonary and critical care medicine with a particular focus and interest in lung transplantation. The provider will have major clinical responsibilities for both the inpatient and outpatient Transplant Services in the BWH Lung Center and the VA Boston Healthcare System. Administrative responsibility includes the medical directorship of lung transplantation. The successful candidate will also engage in teaching students, housestaff, and fellows in the clinic and inpatient settings. The applicant will have demonstrated ability and accomplishment in clinical expertise, administrative leadership and scholarship. Academic rank as Instructor, Assistant Professor, or Associate Professor at Harvard Medical School will be commensurate with experience and qualifications. Applicants should possess an M.D. VISA sponsorship is not available.

Please send letter of interest and curriculum vitae to: Bruce D. Levy, M.D., Chief, Pulmonary & Critical Care Medicine, Brigham and Women’s Hospital, 75 Francis Street, Boston, MA 02115. b levy@bwh.harvard.edu; 617-525-5407.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, pregnancy and pregnancy-related conditions or any other characteristic protected by law. Women and minority candidates are particularly encouraged to apply.
