Inpatient Psychologist

Beth Israel Deaconess Medical Center in Boston, a 650+ bed tertiary care teaching hospital of Harvard Medical School, is recruiting a highly qualified staff psychologist to join our faculty for a half-time position on our 25 bed inpatient psychiatry unit. This position includes psychological testing, a central role in leading inpatient groups and in training others in group therapy, and participation in unit leadership. Expertise in cognitive behavioral therapy, dialectical behavioral therapy, and cognitive remediation as applicable to inpatient psychiatric treatment are desirable.

The inpatient unit is a major teaching site for the BIDMC Harvard Psychiatry Residency Training Program and is a training site for Harvard medical students, nursing students, social work students, and occupational therapy students. Applicants should be licensed in Massachusetts. Academic rank at Harvard Medical School will be commensurate with experience, training and achievements. Review of applications will begin immediately and continue until the position is filled. A Harvard Medical School appointment at the rank of instructor, assistant, or associate professor would be commensurate with the record of accomplishments.

Applications are made online at www.hmfphysicians.org/careers. Please respond to requisition #172519. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
