PSYCHIATRY POSITIONS
Beth Israel Deaconess Medical Center in Boston, a 650+ bed tertiary care teaching hospital of Harvard Medical School, is recruiting highly qualified staff psychiatrists. The Department of Psychiatry is a major teaching site for Harvard Medical School and the BIDMC Harvard Psychiatry Residency Training Program; positions will include opportunities for teaching medical students and residents and for faculty development. A Harvard Medical School appointment at the rank of instructor, assistant, or associate professor would be commensurate with the record of accomplishments. Opportunities exist on the following services:

1. **AMBULATORY PSYCHIATRIST**
   This half-time staff position involves clinical care and opportunities to participate in the training of psychiatric residents. The clinical care involves psychiatric evaluations and ongoing treatment of outpatients in our general psychiatry clinic located within the medical center.

2. **CONSULTATION-LIAISON PSYCHIATRIST**
   This full-time position involves clinical care, teaching, and supervision and combines inpatient and outpatient CL. Approximately three-quarter time will be spent on an inpatient C-L service that sees 2500 Emergency Department and 1000 Inpatient Medical-Surgical consultations annually, with the remainder of time spent providing outpatient service in a collaborative care model. Certification (or eligibility) in Psychosomatic Medicine is desirable.

3. **ADDICTION PSYCHIATRIST**
   This full-time staff position involves clinical care and opportunities to participate in the training of psychiatric residents in the Division of Addiction Psychiatry. The clinical care involves inpatient and outpatient consultations and ongoing treatment of outpatients in our Addiction Psychiatry clinic. Formal teaching and research are possible. Certification (or eligibility) in Addiction Psychiatry is desirable.
Applications are made online at www.hmfphysicians.org/careers. Please respond to requisition #172319 for the ambulatory psychiatrist, #172327 for the consultation-liaison/collaborative care psychiatrist and #201002 for Addiction Psychiatrist. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
