ACADEMIC NEUROLOGIST  
BRIGHAM & WOMEN’S HOSPITAL  
DEPARTMENT OF NEUROLOGY

Brigham and Women’s Hospital (BWH) is seeking an academic clinical neurologist with strong interest and expertise in Intra-Operative NeuroMonitoring (IONM). Hospital title will be Associate Neurologist and an academic title of Instructor, Assistant Professor or Associate Professor at Harvard Medical School (HMS) will be commensurate with experience and scholarship in the field. Opportunities to practice in a related sub-specialty of training within the outpatient or inpatient settings are available. Candidates should have completed an accredited neurophysiology fellowship training program and hold or be eligible for a MA license to practice medicine and be board-eligible or certified in Neurology. S/he should possess a strong record as a clinician-educator or clinical investigator in the field, and should have a passionate commitment to patient care, teaching, teamwork and collegiality. Additional conditions of employment are provided via this link: https://www.partners.org/For-Medical-Professionals/Employment-Conditions.aspx

Eligible candidates should send or email her/his curriculum vitae by June 1, 2020 to:
