

## **BRIGHAM AND WOMEN'S HOSPITAL**

### **Embryology Laboratory Director**

The Department of Obstetrics, Gynecology and Reproductive Biology at Brigham and Women's Hospital is seeking a PhD or MD embryologist with at least 5 years of clinical experience to run our Assisted Reproductive Technologies Laboratory.

A history of research is required and teaching of fellows and other trainees is expected. Leadership in national fertility organizations is encouraged.

Academic rank as Instructor, Assistant Professor or Associate Professor at Harvard Medical School will be commensurate with experience, training and achievements.

**For consideration for this position, please send curriculum vitae to:**

**Nikki Holness  
Department of Obstetrics and Gynecology  
Brigham and Women's Hospital  
75 Francis Street  
Boston, MA 02115  
[nholness@bwh.harvard.edu](mailto:nholness@bwh.harvard.edu)**

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
