

MASSACHUSETTS
GENERAL HOSPITAL

HARVARD MEDICAL SCHOOL
TEACHING HOSPITAL

**Faculty Position
Transplant Nephrologist
Department of Medicine
Massachusetts General Hospital**

The Massachusetts General Hospital Department of Medicine is seeking a full-time board certified Transplant Nephrologist.

The ideal candidate will be a superb clinician who works well in a collaborative environment. Experience and interest in investigation is advantageous but not mandatory.

Appointment as an Instructor or Assistant Professor at the Harvard Medical School will be commensurate with experience, training and achievements in addition to teaching activities. Suitable candidates will have an MD or an MD-PhD, and Board Certification in Nephrology.

Interested candidates should send a personal statement with research interest, three potential references and Curriculum Vitae to Daniela Mancini at dmancini@mgh.harvard.edu

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
