HARVARD MEDICAL SCHOOL  
TEACHING HOSPITAL

## Faculty positions at Massachusetts General Hospital

The Division of General Internal Medicine of the Department of Medicine, Massachusetts General Hospital is seeking applications from primary care and hospital medicine physicians with expertise in health services research, epidemiology, or a related field to build independent research programs across a range of priority areas, including comparative effectiveness and patient oriented research, health disparities research, and health policy and implementation research. We seek to attract an active and diverse faculty. Academic rank at Harvard Medical School (Instructor, Assistant Professor, or Associate Professor) and salary will be commensurate with qualifications, experience and teaching responsibilities.

Please send letter of interest and c.v. to: Jennifer S. Haas, MD, MSc, Peter L. Gross MD Chair in Primary Care, Director of Research and Research Education, Professor of Medicine, Harvard Medical School at [Jennifer.Haas@MGH.HARVARD.EDU](mailto:Jennifer.Haas@MGH.HARVARD.EDU)

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
