

Boston Children's Hospital

HARVARD MEDICAL SCHOOL
TEACHING HOSPITAL

**Associate Chair of Anesthesia
Department of Anesthesiology, Critical Care and Pain Medicine
Boston Children's Hospital**

BOSTON CHILDREN'S HOSPITAL in Boston, Massachusetts invites applications for the position of Associate Chair of The Department of Anesthesiology, Critical Care and Pain Medicine. Requirements include an M.D. degree and completion of residency training in anesthesiology and fellowship training in pediatric anesthesiology. Candidates must be certified in anesthesiology and pediatric anesthesiology by the American Board of Anesthesiology.

Candidates must provide evidence of continuing medical education and meet the metrics for an academic appointment at Harvard Medical School (HMS) at the level of assistant or associate professor. Applications are welcome from candidates with more than ten years of experience post-pediatric anesthesiology fellowship training with evidence of progressive management responsibilities and leadership in an academic department. Experience with clinical or translational research and mentoring is preferred. The ideal candidate should have an emerging national reputation in pediatric anesthesia.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Qualified individuals should submit their curriculum vitae and cover letter that includes a summary of your qualifications for the position, vision for the position and diversity and equity statement to Caitlin Licence at caitlin.licence@childrens.harvard.edu

The request materials should be addressed to Joseph P. Cravero, MD, Search Committee
