

MASSACHUSETTS
GENERAL HOSPITAL

ANESTHESIA, CRITICAL CARE
AND PAIN MEDICINE

**Chief, Division of Pediatric Anesthesia and Medical Director of Procedural Services
Mass General Hospital for Children**

Massachusetts General Hospital, a major Boston teaching hospital and an affiliate of Harvard Medical School, seeks a Division Chief to lead the Pediatric Anesthesia Division of the Department of Anesthesia, Critical Care and Pain Medicine. He/she will also be appointed as the Medical Director of Procedural Services within the MGH/C.

He/she will provide strategic direction and oversight for all aspects of pediatric anesthesia clinical practice, education and research.

He/she will partner with leaders in pediatrics, surgery and nursing to develop appropriate plans for patient care within their clinical area of responsibility.

He/she must be a role model for clinician scientists and anesthesiologists in training. The position requires a pediatric anesthesiologist who is a distinguished leader and an exemplary teacher, with a background and accomplishments in research.

Academic credentials should be of sufficient strength to warrant an appointment as an Assistant or an Associate Professor at Harvard Medical School.

We are an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, pregnancy and pregnancy related conditions or any other characteristic protected by law.

Candidates should submit a letter of interest and CV to:
