

The Massachusetts General Hospital Department of Oral and Maxillofacial Surgery is seeking an academic Oral Surgeon. Successful candidates will be expected to be active clinically, and committed to teaching and supervising medical students, residents, and fellows.

Appointment as an Assistant or Associate Professor at the Harvard School of Dental Medicine and Harvard Medical School will be commensurate with experience, training and achievements in addition to teaching activities. Qualified candidates will have a DDS, DMD and/or MD and be board certified in Oral Surgery.

Although several years of direct clinical and research experience would be advantageous, less experienced candidates with exceptional promise will also be considered.

Interested candidates should submit curriculum vitae, letter of interest, and references to:
