Job Title: Psychologist PhD/PsyD

Area of Interest: Public Sector Psychiatry/ Mental Health Services

City: Boston

State: Massachusetts

Requirements: Doctorate degree in psychology and licensed in the state of service for providing direct care. Three to five years of clinical experience.

Job Description:

Vinfen, in conjunction with the Massachusetts Department of Mental Health (DMH) and the Massachusetts Mental Health Center (MMHC), a state operated mental health clinic, is seeking a full-time licensed psychologist to join the transitional aged youth and Prevention and Recovery in Early Psychosis (PREP) Programs at their vibrant young adult community clinic. The psychologist would provide services to a culturally and economically diverse population of individuals ages 16-30, some of whom are experiencing the recent onset of a psychotic disorder. Responsibilities include performing cognitive, psychological, and psychosocial needs assessments, individual psychotherapy, and group treatment. The majority of individuals served have a serious and persistent mental illness and most predominant are psychotic, mood, and substance use disorders; trauma and attachment-related difficulties are also commonly treated. Candidates who possess substantial knowledge and experience conducting cognitive-behavioral therapy, dialectical behavioral therapy, and psychosocial rehabilitation with this population, as well as those who have experience treating young adults and families in complex systems of care including DCF will be strongly preferred. This psychology position would be part of a well-established multi-disciplinary team, administratively embedded in the Massachusetts DMH.

The MMHC is affiliated with the Beth Israel Deaconess Medical Center Department of Psychiatry. This position will provide opportunities for teaching and supervision along with appointment as Instructor or Assistant Professor at Harvard Medical School. Opportunities to provide supervision of psychology interns within our APA-accredited pre-doctoral psychology internship are available.

Preferred Qualifications:

- Licensed as a psychologist in Massachusetts
- Knowledge and experience working with adults with severe and persistent mental illness in a dynamic community setting
- Knowledge and experience conducting cognitive and psychological assessments
- Able to work independently as well as part of a multidisciplinary team
- Experience and interest in treating individuals from underserved/underrepresented groups including those whom are homeless and forensically involved

Scheduled hours: Mon- Fri. 8:30a-5p

All candidates for this position must be at least 21 years of age and be able to successfully pass a CORI, reference and multi-state background and professional licensure check.
