WOMEN’S MENTAL HEALTH POSITION

This is a part time position in the ambulatory setting which involves joining an expanding women’s mental health service. The service focuses on women in the peripartum period, but addresses aspects of women’s mental health throughout the lifecycle. Responsibilities include clinical care and teaching as well as contributing to program development and scholarly work. This position may be combined with other opportunities on our ambulatory service, providing psychiatric evaluations and ongoing treatment in our general psychiatry clinic located within the medical center, or on our consultation-liaison service, providing consultation, teaching, and supervision on our inpatient medical-surgical floors and in our Emergency Department.

Beth Israel Deaconess Medical Center in Boston, is a 650+ bed tertiary care teaching hospital of Harvard Medical School. The Department of Psychiatry is a major teaching site for Harvard Medical School and the BIDMC Harvard Psychiatry Residency Training Program, and the position includes opportunities for teaching medical students and residents and for
faculty development. The candidate will be eligible for a Harvard Medical School appointment at the rank of Instructor, Part-time, Assistant Professor, Part-time, Associate Professor, Part-time, commensurate with the level of accomplishment and dependent upon fulfilling teaching requirements.

Applications are made online at www.hmfphysicians.org/careers. Please respond to requisition #210408.
