The Department of Pediatrics, Division of Pediatric Pulmonology at Massachusetts General Hospital (MGH) and Mass General Hospital for Children (MGH/C) invites applications for a full-time position as an Assistant in Pediatrics or Assistant Pediatrician to join a multidisciplinary team of clinicians and researchers. The successful candidate will have earned an M.D. or M.D./Ph.D. or equivalent and be BC/BE in Pediatrics and Pediatric Pulmonary Medicine.

The candidate will be eligible for an appointment at Harvard Medical School as an Instructor, Part-time or Assistant Professor, Part-time, if they teach Harvard associated learners at least 50 hours/year, commensurate with qualifications, achievements and experience.

As a clinical innovator, the applicant will have expertise in outpatient clinical activities, inpatient attending responsibilities, and teaching and mentorship of students, residents and pediatric pulmonology trainees. The division is in the process of expanding its clinical footprint providing opportunity to develop a community-based practice in collaboration with our clinical affiliates in southern New Hampshire, as well as establish a clinical practice at the academic medical center in Boston.

The Division of Pediatric Pulmonology consists of eight successfully established pediatric pulmonologists, providing care to patients representing the entire spectrum of pulmonary conditions. The Division of Pediatric Pulmonology provides patient and family centered care to its large patient base in the greater New England geography. MGH/C offers the dual advantage of a children's hospital within the internationally renowned Massachusetts General Hospital, consistently ranked as one of the best general hospitals in the world. Pediatric pulmonologists and other pediatric specialists benefit from a vast campus with outstanding clinical resources and research activities within the Mass General Brigham Health Care system, the largest health care network operating within the greater Boston area.
Interested candidates should send curriculum vitae and a brief letter outlining their interests to:
