Faculty Council

Committee Charge

The Faculty Council advises the Dean in the formulation of major changes to policy and innovations for the Schools of Medicine and Dental Medicine. The Faculty Council also receives reports from standing and ad hoc committees of the Dean. The Dean provides periodic reports concerning the financial status of the Schools and other relevant topics.

Committee Selection

Nomination: The Faculty Council is a peer-elected, representative organization consisting of members of the HMS voting faculty. The electoral structure is designed to assure proportional representation across disciplines and institutions. Nominations are sought from eligible ladder faculty and self-nominations are accepted. The annual election takes place over the span of 6 to 8 weeks. A district-based approach is used to ensure that both junior and senior faculty members as well as clinical and pre-clinical faculty are represented on the Council. The Vice Chair of the Council is elected by the members of the Council and serves a one year as Vice Chair and the following year as the Faculty Council Chair. The Chair also serves as the Chair of the Council Docket Committee. An 8-member docket committee, a subcommittee of the Faculty Council to develop monthly agendas, establish priorities and monitor work, is appointed by the Chair following the annual election.

The Faculty Council is comprised of 38 voting and three ex officio members across the following categories: Appointed by the Dean, School of Dental Medicine (at large), Junior Pre-Clinical Faculty (at large), Senior Pre-Clinical Faculty (at large), and seven Clinical Districts from across the HMS affiliated hospitals (both junior and senior members of each). The 3 seats appointed by the Dean are used to diversify representation.

Qualifications for the Faculty Council: Prospective candidates must be a voting member of the faculty with an active appointment at HMS, HSDM or their affiliated institutions and meet the representation requirement for the open ballot slot.

Terms: Members are elected for three year terms. Membership rotates in a staggered fashion, with 1/3 of the members rotating off per year. Each Vice Chair serves for a one-year term as Vice Chair and the following year as Chair. Each member of the docket committee serves for one year term. Members may serve for two consecutive terms (6 years total) if re-elected.
