Pediatrician-in-Chief, Boston Children’s Hospital

Boston Children’s Hospital seeks to recruit the next Chief of the Department of Pediatrics. The Department of Pediatrics was formed in 1893 and is currently comprised of 16 Divisions. This prestigious appointee will lead the overall BCH pediatric medicine enterprise with the faculty focused on the Department’s three key missions: clinical care, investigation, and education.

Interested candidates should have a distinguished record of clinical excellence, teaching and scholarly accomplishment consistent with a Harvard Medical School appointment at the rank of Professor. Eminence in one’s field of expertise as well as a keen understanding of clinical operations and ability to manage a significant financial and operating budget is important. A commitment to the developing the next generation of leaders across all fields of pediatric care is essential, with a focus on ensuring diversity, equity, and inclusivity. The next Chief must have broad vision as to the future of pediatric care and to innovation and discovery across all facets of science including basic, clinical, translational, and population-based research.

Candidates must be board certified in Pediatrics and eligible for licensure without restriction within the Commonwealth of Massachusetts.

All inquiries are confidential. Interested candidates should forward a personal statement and CV to:
