Chief, Department of Pediatric Urology, Boston Children’s Hospital

Boston Children’s Hospital seeks to recruit the next Chief of the Department of Pediatric Urology. Interested candidates should have a distinguished record of clinical excellence, teaching and scholarly accomplishment consistent with a Harvard Medical School appointment at the rank of Professor or Associate Professor, the latter with credentials approaching the professorial level. A keen understanding of clinical operations and ability to manage a significant financial and operating budget is desired.

Candidates must be board certified in Urology with subspecialty certification in Pediatric Urology, and eligible for licensure without restriction within the Commonwealth of Massachusetts.

All inquiries are confidential. Interested candidates should forward a personal statement and CV to:

   Michael J. Cunningham, MD, FACS
   Otolaryngologist-in-Chief, Boston Children’s Hospital
   Professor of Otolaryngology, Harvard Medical School
   Department of Otolaryngology & Communication Enhancement
