AND SELECTED BY THE HMS/HSDM COMMITTEES UNLESS OTHERWISE NOTED**

**Alice J. Adler Fellowship of the Schepens Eye Research Institute.** This fellowship is intended for members of the Schepens Eye Research Institute.

**Beth Israel Deaconess Medical Center Department of Dermatology Fellowship.** This fellowship is intended for members of the BIDMC Department of Dermatology. *Applications will be forwarded to the department for selection.*

**Beth Israel Deaconess Medical Center Department of Emergency Medicine Fellowship.** This fellowship is intended for members of the BIDMC Department of Emergency Medicine. *Applications will be forwarded to the department for selection.*

**Beth Israel Deaconess Medical Center Department of Medicine Fellowship.** This fellowship is intended for the faculty of the Department of Medicine at BIDMC.

**Beth Israel Deaconess Medical Center Department of Obstetrics, Gynecology and Reproductive Biology Fellowship.** This fellowship is intended for BIDMC Department of Obstetrics, Gynecology and Reproductive Biology faculty. *Applications will be reviewed by the department for selection.*

**Beth Israel Deaconess Medical Center Department of Pathology Fellowship.** This fellowship is intended for faculty in the BIDMC Department of Pathology. *Applications will be reviewed by the department for selection.*

**Beth Israel Deaconess Medical Center Department of Surgery Fellowship.** This fellowship is intended for BIDMC Department of Surgery faculty members. *Applications will be forwarded to Dr. Elliot Chaikof, BIDMC Department of Surgery, for selection.*

**Questions? Please don't hesitate to contact the faculty development coordinator,  
Damien Mahiet, at (617) 432-1198 or HMSOFA\_Programs@hms.harvard.edu**

**Boston Children's Hospital Department of Neurology Faculty Development Fellowship.** A research fellowship established to provide a faculty member with dedicated time to pursue research interests. This fellowship is intended for members of the junior faculty of the Department of Neurology at Boston Children's Hospital.

**Brigham and Women's Hospital Department of Medicine Fellowship.** This fellowship is intended for members of the BWH Department of Medicine faculty.

**Brigham and Women's Hospital Department of Pathology Fellowship.** This fellowship is intended for members of the BWH Department of Pathology faculty. *Applications will be forwarded to the department for selection.*

**Dana-Farber Cancer Institute Fellowship.** This fellowship is intended for faculty affiliated with the Dana-Farber Cancer Institute Fellowship.

**Harvard Cornea Center for Excellence Fellowship.** This fellowship is open to all junior faculty engaged in cornea or front-of-the-eye research.

**Harvard School of Dental Medicine Fellowship in honor of Aina M. Auskaps, DMD.** This fellowship is intended to support research related to dental medicine and craniofacial biology.

**Massachusetts General Hospital Department of Anesthesia Fellowship.** This fellowship is open to faculty of the MGH Department of Anesthesia.

**Massachusetts General Hospital Department of Emergency Medicine Fellowship.** This fellowship is intended for faculty in the MGH Department of Emergency Medicine.

**Massachusetts General Hospital Department of Medicine Fellowship.** This fellowship is intended for women members of the junior faculty of the Department of Medicine at MGH. *Applications will be reviewed by the MGH Department of Medicine for selection.*

**Massachusetts General Hospital Department of Pathology Fellowship.** This fellowship is intended for faculty in the MGH Department of Pathology. *Applications will be forwarded to the department for selection.*

**Massachusetts General Hospital Department of Surgery Faculty Development Fellowship.** This fellowship is intended for MGH Department of Surgery faculty. *Applications will be forwarded to the department for selection.*

**Massachusetts General Hospital Dermatology Service Faculty Career Development Fellowship.** Established in 2008 to support junior faculty in the Dermatology Service at MGH. *Applications will be forwarded to the MGH Department of Dermatology for selection.*

**The Peter Mauch Radiation Oncology Fellowship for Junior Faculty.** Applicants should be affiliated with the Dana-Farber/Brigham & Women's Cancer Center Department of Radiation Oncology. In addition, the fellowship recipient must hold a junior faculty appointment at the start of the award in the fall of 2016. *Applications will be forwarded to the department for selection.*

*The following fellowships have distinct application and selection processes.*

**FELLOWSHIPS SPECIFIC TO A DEPARTMENT/DIVISION/INSTITUTE  
WITH DISTINCT APPLICATION AND SELECTION PROCESSES**

**The Beth Israel Deaconess Medical Center Department of Anaesthesia John Hedley-Whyte Research Fellowship** is designed to facilitate the clinical or educational research career of a junior clinical faculty member. Eligibility is limited to clinical, junior members of the faculty of the Department of Anaesthesia, Critical Care and Pain Medicine at BIDMC. Research proposals (maximum 3 pages, no appendices), budget, and CV should be sent to Dr. Alan Lisbon, [alison@bidmc.harvard.edu](mailto:alison@bidmc.harvard.edu). *Application deadline is April 1, 2016.*

**Boston Children's Hospital Division of Gastroenterology and Nutrition Shore Fellowship.** This fellowship is intended for BCH Gastroenterology and Nutrition Faculty. Please contact Wayne Lencer, Chief, Division of Gastroenterology ([wayne.lencer@chidlrens.harvard.edu](mailto:wayne.lencer@chidlrens.harvard.edu)) for more information. *The 2016 recipients have already been selected.*

**Boston Children's Hospital Division of Pediatric Emergency Medicine Faculty Development Award.** A full description is available on the website of the Office for Faculty Affairs. *Application deadline is March 15, 2016.*

**Boston Children's Hospital Musculoskeletal Career Development Fellowship.** Established in 2007, the fellowship supports faculty at the Instructor and Assistant Professor level with an academic appointment at Children's Hospital, Boston and an intention of pursuing a career in academic orthopaedics or a related field. Applicants must have demonstrated excellence in research and/or clinical activity, but not have achieved substantial independent funding at the time of application. *The recipient has already been selected.*

**Boston Children's Hospital OFD/BTREC/CTREC Faculty Career Development Fellowship.** This fellowship, sponsored by the Office of Faculty Development, the Basic/Translational Research Executive Committee, and the Clinical and Translational Executive Research Committee, provides transitional funding for Instructors and Assistant Professors to enhance research productivity during the early critical years of an academic research career. The awards support resources for research including supplies, salary (PI and/or research assistant), and other requests, upon review, that will contribute to the individual's academic career development. *The application deadline is February 11, 2016.* For additional information, please visit <http://www.childrenshospital.org/clinician-resources/office-of-faculty-development/fellowships-and-opportunities>.

**Brigham and Women's Hospital Department of Anaesthesiology, Perioperative and Pain Medicine Faculty Development Fellowship (2).** Eligibility is limited to junior faculty within the Department. Apply to Dr. James Rathmell, M.D., the Leroy D. Vandam/Benjamin G. Covino Professor of Anaesthesiology; Chairman, BWH Department of Anaesthesiology, Perioperative and Pain Medicine. *The application deadline is February 10, 2016.* For more information on this fellowship, please contact Dr. Lawrence Tsen at [Itsen@partners.org](mailto:Itsen@partners.org).

**Brigham and Women's Hospital Department of Emergency Medicine Faculty Development Fellowship.** This fellowship is intended for faculty members in the Department of Emergency Medicine, Brigham and Women's Hospital, in the first seven years of their appointment. Apply to Daniel J. Pallin, MD, MPH, Director of Research, Department of Emergency Medicine, BWH. *Application deadline is July 1, 2016.*

**Brigham and Women's Hospital Department of Neurosurgery Fellowship.** A research fellowship established to provide a faculty member at Brigham and Women's Hospital, preferably within the Department of Neurosurgery, with funding to provide direct resources in equal value to support the research of a Brigham and Women's Hospital neurosurgical resident in their senior years. *Please note that the recipient for this year has already been selected.*

**Brigham and Women's Hospital Department of Surgery Junior Fellowship in Honor of Robert T. Osteen, MD.** A full description and application information is available on the website of the Office for Faculty Affairs. *The application deadline is January 18, 2016.*

**Brigham and Women's Hospital Faculty Career Development Award (4).** The award provides transitional funding to enhance productivity and growth during the early critical years of an academic career when young faculty must teach, do research, compete for grants, publish, and practice (if clinicians) at the same time they may be assuming increased family or other responsibilities. BWH seeks to use these awards to increase the diversity of, and demonstrate support for, the junior faculty. Awards are open to all junior faculty and designed with an emphasis on assisting women faculty, faculty who belong to a racial/ethnic population underrepresented in medicine and science (URM), or faculty who have family responsibilities

such as being the primary caregiver for children and/or parents. *The application deadline is January 11, 2016.* Additional information can be found at: <http://cfdd.brighamandwomens.org/fellowships-and-awards/fcda/>.

**Brigham and Women's Hospital Obstetrics and Gynecology Foundation Fellowship (2).** The fellowship is intended for BWH Department of Obstetrics, Gynecology and Reproductive Biology faculty. Apply to Dr. Robert Barbieri, BWH Department of Obstetrics, Gynecology and Reproductive Biology. *The application deadline is January 11, 2016.*

**Claffin Distinguished Scholar Awards.** These two-year awards, sponsored by the Executive Committee on Research (ECOR) and the Office for Women's Careers of Massachusetts General Hospital, are open to junior faculty women investigators in basic and clinical research at MGH. *The deadline for the 2016 awards was October 13, 2015.* Further information about the program is available here: [http://ecor.mgh.harvard.edu/Default.aspx?node\\_id=226](http://ecor.mgh.harvard.edu/Default.aspx?node_id=226).

**Dorothy Rackemann Fellowship established by the Vincent Memorial Hospital/Massachusetts General Hospital for research in reproductive biology.** Eligibility limited to MGH Department of Obstetrics, Gynecology and Reproductive Biology faculty. For more information, please contact Caryn Wilson, Executive Director, MGH Department of Obstetrics, Gynecology and Reproductive Biology, [CWILSON2@mgh.harvard.edu](mailto:CWILSON2@mgh.harvard.edu).

The **Harvard Pilgrim Health Care Institute Department of Population Medicine's Robert H. Ebert Fellowship.** This fellowship supports research and career development in population medicine. The fellowship is intended for HPHCI Department of Population Medicine faculty. For more information, please contact Sheila Fireman at [Sheila\\_Fireman@harvardpilgrim.org](mailto:Sheila_Fireman@harvardpilgrim.org).

**Massachusetts Eye and Ear fellowship.** Designated in 2016 for a full-time member of the MEEI-based Otolaryngology faculty. The Fellowship is intended to assist a junior faculty member in developing her/his academic or research career at the same time as she/he may be assuming increased family or other responsibilities. The stipend of \$30,000 may be used for activities such as buying protected time from clinical or laboratory responsibilities to pursue academic work, including writing a grant application, preparing a manuscript, completing a research project, or developing innovative teaching resources. Funding could also be used for research or programmatic expense support at a time when the junior faculty member does not yet have independent funding. To apply, please submit your CV and a maximum 500 word proposal to [Rachel\\_Wasserstrom@meei.harvard.edu](mailto:Rachel_Wasserstrom@meei.harvard.edu) by *January 1, 2016*.

**MGH Orthopaedics Shore Fellowship.** This fellowship is intended for the faculty of the Department of Orthopaedics at Massachusetts General Hospital. Contact Dr. Arun Shanbhag, PhD, MBA, [ashanbhag@mgh.harvard.edu](mailto:ashanbhag@mgh.harvard.edu) for more information and to apply. *Application deadline is February 15, 2016.*

**McLean Hospital Fellowship,** for research in mental health. Eligibility limited to McLean affiliated faculty. *The application deadline is February 1, 2016 (tentative).* Please confirm with, and apply to, the McLean Fellowship Committee, c/o Raquel Espinosa, Director, Research Administration, [respinosa@mclean.harvard.edu](mailto:respinosa@mclean.harvard.edu).

**Mount Auburn Hospital Department of Emergency Medicine Faculty Development Fellowship.** Please contact Krista Bolt (617=499-5617/[kbolt@mah.harvard.edu](mailto:kbolt@mah.harvard.edu)) for more information on this fellowship.
