

STAFF PSYCHOLOGIST POSITION
AT MCLEAN HOSPITAL

McLean Hospital, America's top ranked freestanding psychiatric hospital, is inviting applications for a full time Staff Psychologist/Behavioral Therapist in Belmont, MA.

The OCDI Jr. is a residential and partial program for children and adolescents who present with obsessive compulsive disorder (OCD), anxiety, and related disorders. The program provides cutting-edge clinical treatment delivered in a sensitive and nurturing manner. Clinical responsibilities include providing evidence-based individual therapy, family therapy, and group therapy, and involvement with trainings, supervision, and clinical research. The position requires flexibility, excellent interpersonal skills, the ability to function both independently and within a multi-disciplinary team. The primary treatment modality is Exposure and Response Prevention (ERP), while drawing from other evidence-based modalities within a cognitive-behavioral framework. This position will have responsibility for teaching and mentoring postdoctoral fellows, trainees and junior staff.

Salary and recruitment package in accordance with Hospital policies, and a Harvard Medical School appointment at the academic rank of Lecturer, Instructor or Assistant Professor (full or part time) will be contingent on meeting the requirements for an HMS appointment and candidate qualifications including Massachusetts licensure.

Qualifications:

Candidates must have a Ph.D. or Psy.D. in psychology from an accredited school of psychology. Licensed or license eligible in the Commonwealth of Massachusetts as a Psychologist. Experience with children/adolescents and families is required and experience with OCD and ERP is preferred. Candidates experienced with pediatric anxiety and cognitive-behavioral therapy with an interest in learning intensive OCD treatments are welcome to apply.

Applicants should submit a letter of interest and curriculum vitae along with the names and addresses of three references by email to: Maria Fraire, Ph.D., Program Director, Child and Adolescent OCD Institute, McLean Hospital, 115 Mill Street, Belmont, MA 02478, Email: mfraire@mclean.harvard.edu and the Registrar and Professional Staff Office at rpsomclean@partners.org

All McLean team members are expected to consistently demonstrate our values of integrity, compassion, respect, diversity, teamwork, excellence and innovation in their work activities and interactions.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
