

### **Gastroenterologist at Mount Auburn Hospital –Cambridge, MA**

Mount Auburn Hospital, part of the Beth Israel Lahey Health System, is a Harvard Medical School teaching hospital in Cambridge, Massachusetts, is seeking a Gastroenterologist. Mount Auburn Hospital was founded in 1886 as the first hospital in Cambridge. With 217 licensed beds in all private rooms, the hospital is accredited by The Joint Commission, a member of the American Hospital Association Council on Teaching Hospitals, and the Association of American Medical Colleges. Mount Auburn's mission is to expand access to outstanding care, and advance the science and practice of medicine through education and research. As part of Beth Israel Lahey Health, the Mount Auburn Hospital position offers an outstanding opportunity to work in a stable, vertically integrated system. BILH currently employs 35,000 individuals making it the second largest employer in Massachusetts, and consists of over 200 locations including 13 hospitals. Over 4,000 physicians are associated with BILH including 840 primary care physicians managing 1.3 million patients.

Candidate will join a busy, established, and successful practice. Mount Auburn Gastroenterology Associates offers comprehensive, cutting-edge care for patients with all types of digestive diseases, and is committed to the prevention, diagnosis, treatment, and management of these conditions. Our current range of technologies includes endoscopy and colonoscopy, ERCP, high resolution esophageal manometry, pH and impedance ambulatory reflux testing, video capsule endoscopy and infusion therapy for IBD patients and teaching of residents and medical students. Candidate must be Board Certified/Eligible in Gastroenterology.

Candidates would enjoy a generous compensation and benefits package.

The Gastroenterologist selected for this full time role will be eligible for a faculty appointment at Harvard Medical School as an instructor or assistant professor, commensurate with experience and qualifications.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
