

**Clinical Cardiologist with Expertise in Amyloidosis**  
**Division of Cardiovascular Medicine, Department of Medicine**  
**Brigham and Women's Hospital**

The Brigham and Women's Hospital (BWH) Division of Cardiovascular Medicine seeks a faculty member for its cardiac amyloidosis program. This faculty member will supervise the care of our amyloidosis patients in both the outpatient and inpatient settings and interface with colleagues across the Mass General Brigham system. Applicants must be board certified in cardiovascular disease and ideally have recognized experience in treating patients with cardiac amyloidosis and have an active research interest in this field. Appointment as Instructor, Assistant Professor, or Associate Professor at the Harvard Medical School will be commensurate with experience, training, and achievements, including teaching activities. Candidates will be expected to have a strong interest in teaching and will foster the growth of the amyloidosis program at BWH.

Please send curriculum vitae and a cover letter to: Sharmila Dorbala , Division of Cardiovascular Medicine, Department of Medicine, Brigham and Women's Hospital, 75 Francis Street, Boston, MA 02115, or via email to: [swoods1@bwh.harvard.edu](mailto:swoods1@bwh.harvard.edu).

We are an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, pregnancy and pregnancy-related conditions or any other characteristic protected by law. Women and minority candidates are particularly encouraged to apply.
