

**Faculty Position**  
**MGH Cancer Center, Division of Hematology/Oncology**  
**Department of Medicine**

The Massachusetts General Hospital Cancer Center currently seeks applications from board-certified or board-eligible medical oncologists/hematologists for a faculty-based position emphasizing community clinical care.

A record of success in the clinical care of hematology/oncology patients is essential. The incumbent will also join a disease specific multidisciplinary team on the main campus and /or community facilities. Candidates should be caring, compassionate, willing to involve patients and families in the decision-making process, and able to coordinate care with colleagues in various departments. Candidates must also be motivated to work with leadership teams in the community and the main campus.

Appointment as an Instructor, Assistant Professor or Associate Professor, full or part time, at the Harvard Medical School will be commensurate with experience, training and achievements in addition to teaching activities. Suitable candidates will have an MD or an MD-PhD, and Board Certification in Internal Medicine.
