

STAFF PSYCHOLOGIST  
AT MCLEAN HOSPITAL

McLean Hospital, America's top ranked freestanding psychiatric hospital, is inviting applications for a full time **Staff Psychologist in the Alcohol, Drug and Addiction Treatment Program (ADATP)** located in Belmont, MA.

The ADATP Clinic provides individual, couple's and group psychotherapy services for adults who have substance use disorders. This interdisciplinary treatment program functions as a highly collaborative team and is embedded within all elements of the hospital mission, including teaching, clinical care and research. Opportunities to be involved in teaching and research, including publications and presentations will be available.

The Staff Psychologist will provide time-limited evidence-based treatment for substance use disorders and co-occurring disorders among adults. Collaborate and participate in peer consultation with a multidisciplinary team of addiction treatment providers and experts. Provides clinical services, including individual and group psychotherapy, conduct diagnostic interviews and provide timely case conceptualization, patient feedback and treatment recommendations.

This person will have the responsibility to provide clinical services for assigned patients, as well as to participate in the activities of the Outpatient ADATP Clinic.

- Documents in the record by the completion of treatment plans, patient encounter forms, appropriate progress notes, clinical summaries and other documentation in accordance with hospital policies.
- Serves as liaison to other health care professionals including mental health practitioners, medication providers, OTC team members, and others.
- Participates in program and hospital administrative activities (e.g. staff meetings, peer consultation, hospital committees, etc.)
- Maintains awareness of medicolegal/risk management issues.
- Participates in the hospital teaching and research efforts.

Salary and recruitment package in accordance with Hospital policies, and a Harvard Medical School appointment at the academic rank of Lecturer, Instructor or Assistant Professor (full or part time) will be contingent on meeting the requirements for an HMS appointment and candidate qualifications including licensure.

**Qualifications:**

Ph.D. or Psy.D. degree in psychology from an accredited school of psychology. Licensure appropriate to clinical discipline.

Experience assessing for and treating substance use disorders using evidence-based assessments and interventions is preferred. Experience in the assessment and evidence-based treatment of posttraumatic stress disorder is preferred, but not required.

Applicants should submit a letter of interest and curriculum vitae along with the names and addresses of three references by email to: R. Kathryn McHugh, PhD, Chief of Psychology and Olivera Bogunovic, MD, Medical Director, ADATP, McLean Hospital, 115 Mill Street, Belmont, MA 02478, Email: [obogunovic@mclean.harvard.edu](mailto:obogunovic@mclean.harvard.edu); [kmchugh@mclean.harvard.edu](mailto:kmchugh@mclean.harvard.edu) and the Registrar and Professional Staff Office at [rpsomclean@partners.org](mailto:rpsomclean@partners.org)

All McLean team members are expected to consistently demonstrate our values of integrity, compassion, respect, diversity, teamwork, excellence and innovation in their work activities and interactions.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

A member of Mass General Brigham.
