

Mount Auburn Cardiology Associates

full time BC/BE noninvasive cardiologist

Mount Auburn Cardiology Associates is recruiting a full time BC/BE noninvasive cardiologist with outstanding clinical and interpersonal skills to join our growing team of 8 cardiologists and 2 Nurse Practitioners. Advanced training in transthoracic and transesophageal echocardiography and nuclear cardiology is desirable. There is also opportunity to participate in our interdepartmental, collaborative advanced cardiac imaging (cardiac MRI, cardiac CT) program for appropriately trained candidates.

We are a private practice group located in Cambridge, MA on the campus of Mount Auburn Hospital, a tertiary care teaching hospital with growing cardiac surgical, structural, interventional, and electrophysiology service lines. Partnership track position with generous salary, vacation time, and benefits. Mount Auburn Hospital is a member of the Beth Israel Lahey Health Network (BILH), and affiliated with Harvard Medical School. Division members play a critical role in the education of medical students and residents in the ambulatory and inpatient settings, and teaching peers in multidisciplinary meetings and institutional or network CME events. The candidate will be eligible for a faculty appointment as an Instructor, Assistant or Associate Professor at Harvard Medical School commensurate with experience and qualifications.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

All inquiries and applications are held in the strictest confidence.

To apply, please send a CV and letter of interest via e-mail to **Kristina Kennedy:**
kkennedy@mah.harvard.edu.

For questions, Ms. Kennedy can be reached at 617-497-1560 or via e-mail.
