

Psychiatrist

Lurie Center for Autism, Mass General Brigham & Mass General for Children

The Lurie Center for Autism, a division of the Department of Pediatrics at MassGeneral Brigham and Mass General for Children, is seeking a clinical psychiatrist to join a large multidisciplinary autism treatment center based in Lexington, Massachusetts. The Lurie Center for Autism is an integrated clinical, research, and training program dedicated to treating individuals with autism spectrum disorder (ASD) and other neurodevelopmental disorders across the lifespan. The Lurie Center is unique in its multidisciplinary approach that integrates the services of neurology, developmental pediatrics, gastroenterology, primary care, psychiatry, neuropsychology, occupational therapy, physical therapy, speech language pathology, educational services, and family support services. More information about our many programs is available at [Lurie Center for Autism \(massgeneral.org\)](https://www.massgeneral.org/lurie-center-for-autism).

The successful candidate will have strong clinical skills in psychiatry with demonstrated interest in treating patients with ASD and other neurodevelopmental disorders. The Center is committed to serving individuals with neurodevelopmental disorders from early childhood through adulthood. Candidates with both research and clinical experience in neurodevelopmental disorders are particularly encouraged to apply. This appointment is anticipated to be at the rank of Instructor, Assistant Professor or Associate Professor. Requirements include an MD or equivalent degree, eligibility for medical licensure in the State of Massachusetts, and certification (or eligibility for certification) by the American Board of Psychiatry and Neurology. Faculty members are appointed through Harvard Medical School (HMS) and serve the research, clinical, and educational missions of Mass General Brigham.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Applicants should email the following: a letter of interest, a CV and three letters of reference on official letterhead with signature to Christopher McDougale, MD; c/o NHEFFERNAN@MGH.HARVARD.EDU.
