

Faculty, Division of Maternal-Fetal Medicine, Department of Obstetrics,  
Gynecology, and Reproductive Biology Beth Israel Deaconess Medical  
Center, a Harvard Medical School Affiliate

The Department of Obstetrics and Gynecology at Beth Israel Deaconess Medical Center, an affiliated hospital of Harvard Medical School in Boston, MA is accepting applications for a faculty member to join our growing Maternal Fetal Medicine Division.

Successful candidates will be dedicated to providing high-quality, evidence-based MFM care and share a deep commitment to academic medicine.

Primary job responsibilities will include inpatient/outpatient maternal and fetal consultative services, MFM ultrasound, education and mentorship of trainees and junior faculty, advancing research, L&D participation, and MFM outreach services across a large and diverse Beth Israel Lahey Health Network and community practices.

Candidates must be BC/BE in Maternal-Fetal Medicine. Academic appointment as Instructor, Assistant, or Associate Professor, full-time, at Harvard Medical School and salary will be commensurate with experience and qualifications, and a commitment to teaching.

Send inquiries and CV to: Chloe Zera, MD, MPH, Division Chief, Maternal-Fetal Medicine, Department of Obstetrics and Gynecology, Beth Israel Deaconess Medical Center, Attn: Kelsi Lally, 330 Brookline Avenue, KS3, Boston, MA 02215 or email: [klally2@bidmc.harvard.edu](mailto:klally2@bidmc.harvard.edu)
