

CHILD AND ADOLESCENT PSYCHIATRISTS AT MCLEAN HOSPITAL

McLean Hospital, America's top ranked freestanding psychiatric hospital, is inviting applications for Child/Adolescent Psychiatrists in our Division of Child and Adolescent Psychiatry. Positions available at the McLean SouthEast Inpatient Adolescent Unit located in Middleborough, MA and our OCDI Jr. Unit located in Belmont, MA.

McLean SouthEast at Oak Street Adolescent Inpatient Program provides comprehensive diagnosis and treatment for adolescents who are in crisis due to a variety of psychiatric conditions, such as depression, anxiety, trauma, mood disorders, and psychosis.

The Child and Adolescent OCD Institute program (OCDI-Jr) offers a full range of services in cognitive behavioral treatment including Exposure and Response Prevention (ERP) and Acceptance and Commitment Therapy (ACT), individual, family and group therapy, education services, and psychiatric medication consultation.

As part of our expanding team, the child and adolescent psychiatrists will have the opportunity for both leadership & professional collaboration with colleagues in Division-wide programs at the main Belmont campus, McLean Southeast in Middleborough, the McLean-Franciscan Child & Adolescent Mental Health Programs plus our locations in Arlington and Cambridge. Our multidisciplinary team provides first-class treatment to children and adolescents and their families in an exciting environment including Harvard-affiliated psychiatry, psychology, and social work trainees, plus opportunities for research and academic pursuits. Successful candidate will participate in teaching and mentoring staff, including residents, interns and postdoctoral fellows.

Salary and recruitment package in accordance with Hospital policies, and a Harvard Medical School appointment at the academic rank of Lecturer, Instructor or Assistant Professor (full or part time) will be contingent on meeting the requirements for an HMS appointment and candidate qualifications including Massachusetts medical license, and being board certified/board eligible.
