

## Endocrinologist Cambridge Health Alliance

Cambridge Health Alliance (CHA) is seeking a BE/BC Endocrinologist to join our practice. CHA is an award-winning health system in Boston's metro-north communities, providing innovative primary, specialty and emergency care to our diverse patient population through an established network of outpatient clinics and two full service hospitals.

- Full-time endocrinology position working in our medical specialties clinics located in Everett and Somerville.
- Exceptional support staff inclusive of a Certified Diabetes Counseling and Education Specialist and a Clinical Pharmacist with specialty training in diabetes.
- The position carries a Harvard Medical School (HMS) appointment of Instructor, Assistant or Associate Professor, commensurate HMS appointment criteria, candidate qualifications, and commitment to teaching responsibilities.
- CHA uses the EPIC electronic medical record system.
- Manageable and extremely light call schedule of 1:6.

Qualified candidates will share our passion for serving CHA's community and our underserved, multicultural patient population. Candidates with superior communication skills and a willingness to work in a collaborative, team-based environment are encouraged to apply.

CHA offers competitive compensation packages and comprehensive benefits for our providers and their families.

Qualified applicants may submit CVs to Mary Cummings, Provider Recruiter, at [ProviderRecruitment@challiance.org](mailto:ProviderRecruitment@challiance.org) or online at [www.CHAProviders.org](http://www.CHAProviders.org). Cambridge Health Alliance Department of Provider Recruitment can be reached at (617) 665-3555.

*We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.*
