

## EMERGENCY/ACUTE CARE RADIOLOGIST

Harvard Medical Faculty Physicians (HMFP) at Beth Israel Deaconess Medical Center (BIDMC)

The Radiology Department at Beth Israel Deaconess Medical Center is seeking enthusiastic applicants for a radiologist faculty position in Emergency /Acute Care Radiology to join its dynamic team. The position will provide coverage to emergency, urgent care, and hospital-based patients of the Beth Israel Deaconess Medical Center, the flagship hospital of the Beth Israel Lahey Hospital system, Level 1 trauma tertiary hospital. Shifts include daytime and second shift evening hours, with opportunity to work onsite at BIDMC as well as remote, with a home workstation provided. Candidates will interpret a wide range of diagnostic imaging studies including US, CT, radiography, and some MRI, covering both body and neuro imaging. Candidates should be eager to lead and develop specific clinical service lines.

Hospital-based facilities span two main campuses and include cutting edge imaging equipment staffed by a highly collaborative team. Our radiologists appreciate their strong team and supportive environment. They also treasure close relationships with referring services and contributions to weekly multidisciplinary conferences are highly valued by their clinical colleagues.

Beth Israel Deaconess Medical Center is a major Harvard Medical School-affiliated teaching hospital with 649 beds, a Level I trauma center, and well-developed multi-specialty clinical programs, Candidates should be excited about working in an academic environment and passionate about the opportunity to teach medical students, residents, and fellows.

Applicants must be board-eligible, preferably with fellowship training in emergency, body, neuroradiology, or musculoskeletal radiology, with an interest or prior experience in emergency radiology. Candidates must be eligible for academic appointment at the Instructor, Assistant Professor or Associate Professor level at Harvard Medical School. Salary and academic rank will be commensurate with qualifications and experience.

Interested applicants should send CV to: Ms. Andrea Baxter, Executive Assistant to the Chair, Department of Radiology; [abaxter@bidmc.harvard.edu](mailto:abaxter@bidmc.harvard.edu). For more information, please contact Ms. Baxter at 617-754-2519.

*We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.*
