Mass General for Children

Department of Pediatrics

## Chief of the Division of Pediatric Nephrology

The Department of Pediatrics at Mass General *for* Children is recruiting a new and dynamic Chief with a strong academic reputation for its [Division of Pediatric Nephrology](#). The position includes an appointment at the Assistant Professor or Associate Professor rank at Harvard Medical School.

The Chief will oversee an active clinical practice and will lead a dynamic team of pediatric nephrologists. The candidate will be responsible for overseeing the academic, clinical, and training missions of the Division of Pediatric Nephrology and will be expected to lead an independent research program.

This position includes requisite initial support and research space. MGH, its affiliated hospitals, as well as other Boston-area programs, provide an unparalleled environment to pursue and develop research opportunities and collaborations.

The candidate must be board certified in Pediatric Nephrology.

Interested applicants should contact: Alessio Fasano, M.D., Chief, Division Chief, Pediatric Gastroenterology and Nutrition, Mass General *for* Children, at 617-726-1450, or by email at: [AFASANO@mgh.harvard.edu](mailto:AFASANO@mgh.harvard.edu)

*We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.*

NEPHROLOGY

**Boston:** Immediate opening for Chief of the Division of Pediatric Nephrology at Mass General *for* Children. Will build a research program and supervise a busy clinical service. Contact: Alessio Fasano, M.D., 617-726-1450, [AFASANO@mgh.harvard.edu](mailto:AFASANO@mgh.harvard.edu)
