

MASSACHUSETTS  
GENERAL HOSPITAL

**Faculty Position  
Department of Medicine  
Massachusetts General Hospital**

The Cardiology Division of Massachusetts General Hospital is recruiting a non-invasive staff cardiologist. The candidate must be board certified or board eligible in Cardiovascular Disease.

The position will be clinically focused with active involvement in outpatient and inpatient evaluation and management activities. Additionally, the candidate will be expected to participate in the academic and educational missions of the MGH and the MGH Corrigan Minehan Heart Center. An Academic Appointment at Harvard Medical School may be at the Instructor, Assistant Professor, or Associate Professor rank and will be commensurate with experience, training, and achievements in addition to teaching activities. Additional opportunities exist for the candidate to participate in clinical research activities. Salary and benefits will be commensurate with the candidate's experience and qualifications.

Although several years of experience would be advantageous, less experienced candidates with exceptional promise will also be considered. Women and minority candidates are urged to apply.

Interested candidates are invited to submit a Curriculum Vitae to Nandita Scott at [NSSCOTT@mgh.harvard.edu](mailto:NSSCOTT@mgh.harvard.edu)

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
