

Clinical Dermatologist

The Massachusetts General Hospital Dermatology Service is seeking a clinical dermatologist with excellent clinical and teaching skills and a desire to interact with some of the world's most venerated clinicians in medicine and surgery. Mass General is consistently ranked one of the top hospitals in the United States by U.S. News and World Report and is the leading hospital in the New England area.

MGH Dermatology is located in a state-of-the-art medical facility dedicated to cutaneous medicine, laser and cosmetic dermatology, dermatological surgery, phototherapy, clinical research, and dermatologic education.

Appointment as an Instructor, Assistant Professor, or Associate Professor at the Harvard Medical School will be commensurate with experience, training and achievements in addition to teaching activities. Suitable candidates will have an MD or an MD-PhD. Interested candidates should send a Curriculum Vitae to:
